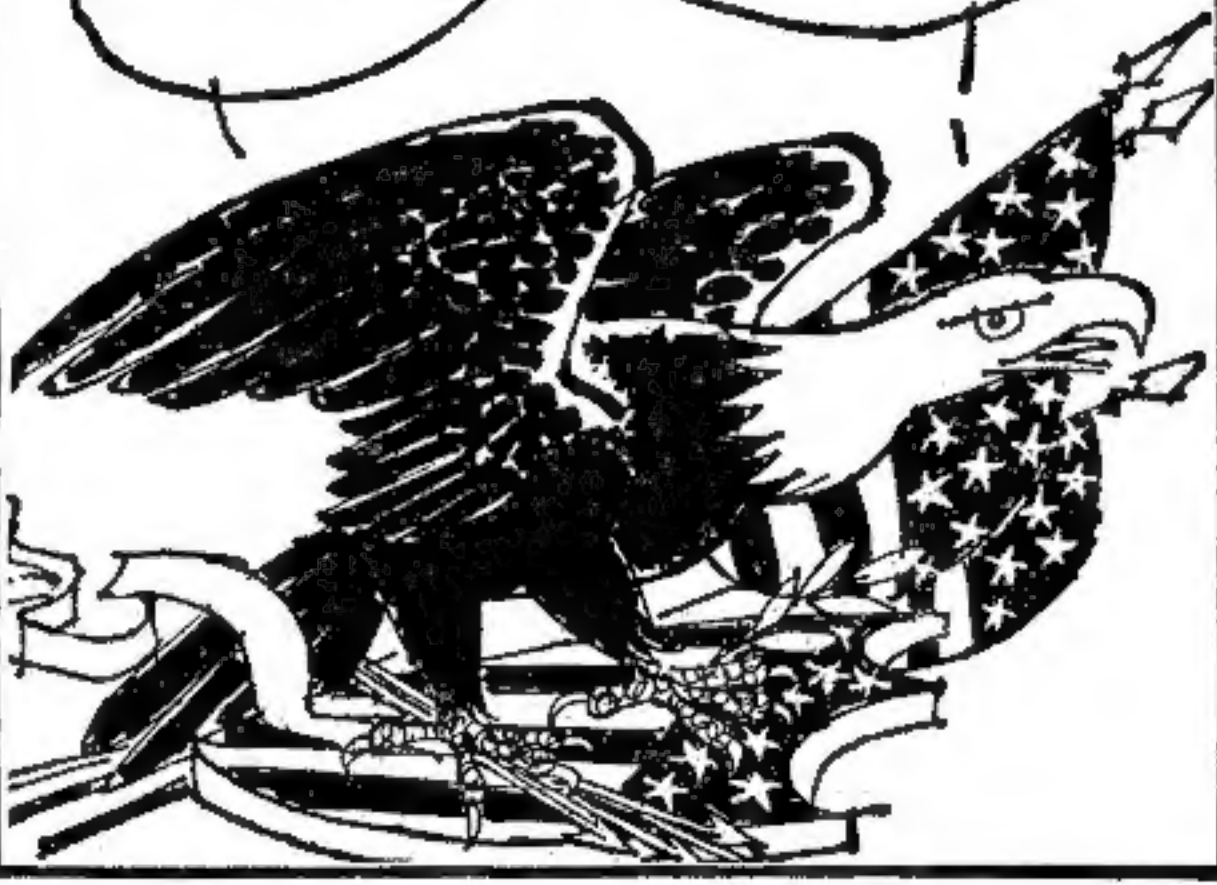
still life

Moscow says China is now Russia's #1 enemy

we've got to try harder now that we're only #2



still life

topless waitresses.. miniskirts.. where will it all end?

when there's nothing to waist

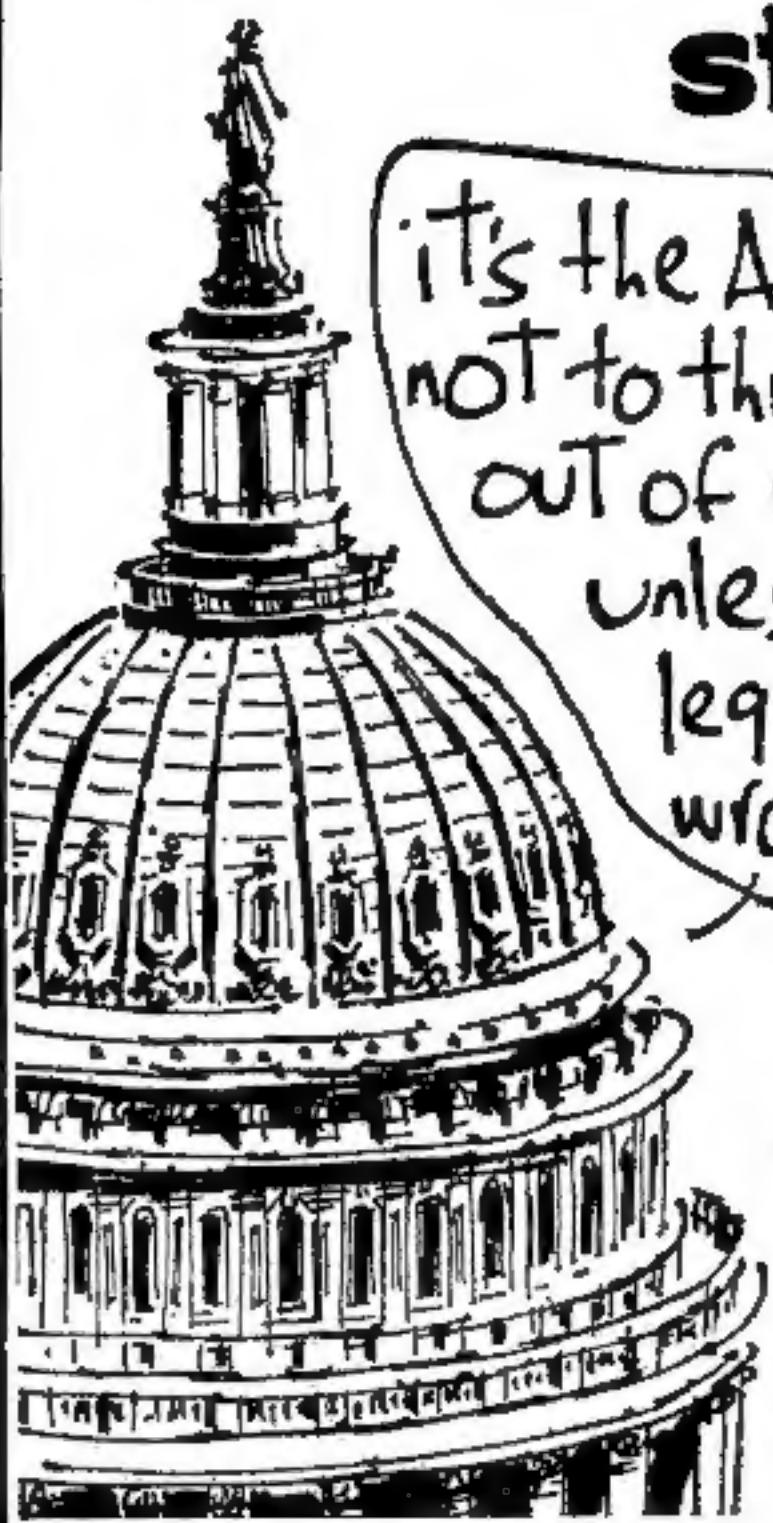
delicious! I wish I could afford a bigger piece!

still life



it's the American way not to throw anyone out of Congress unless there's legal proof of wrong-doing...

...that exceeds your own

still life

the war is full of deadly ambushes, booby traps and an unseen enemy that strikes in the dark..
..and it's worse when you leave Saigon
